Practice SAT 2019

On average students that practice SAT material on Khan Academy for 20 hours will increase his/her score by 115 points. Over the next 10 weeks there will be 10 hours of practice within school and the expectation is to practice the additional 10 hours outside of school on your own time. For example, 4 days a week 15 minutes a time is a total of an hour a week outside of school. Also, you should try and take a few full length practice SAT tests on Khan Academy before the official school day test on April 9th. Suggested dates would be near- January 19th, February 20th, March 6th, and March 30th. Students that complete the prep assignments will be eligible for a raffle of gift cards and/or ticket to Homecoming 2019.
